

# LEARNING AT HOME SCHEDULE

## MONDAY

### Video

Let's learn about spelling and practice sight words

### Activity

Pick the five most difficult words on your list and practice spelling it out loud

### Homework

What did you do during the weekend? Tell us a story about it!

## TUESDAY

### Video

Today we'll learn about healthy foods!

### Activity

Let's look for green vegetables at home!

### Homework

Do you have any favorite vegetables? Why not make a poster about them?

## WEDNESDAY

### Video

Shapes are great! Let's explore them.

### Activity

Go around your house and look for different shapes. Take a photo of them.

### Homework

Create a slideshow of the different shapes you found at home. Share it with the class next week.

## THURSDAY

### Video

What are book reviews?

### Activity

Pick one of your favorite books. Think about why did you like it.

### Homework

It's nice to share your book! Create a poster and tell us about three things you liked best about it.

## FRIDAY

### Video

Let's talk about puppets!

### Activity

Gather materials for a sock puppet. Ask your parents for help with the cutting parts.

### Homework

Create a short video using your puppet!
